Hi Sonja-

Both those cases are mine- I apologize for not putting a lab number on the [REDACTED] case. With respect to these cases:

1. [REDACTED] lab numbers are as follows:  
[REDACTED]
2. With respect to [REDACTED], the 2011 lab number is correct. This is a case that began in 2011, but ultimately was recompiled in 2012, so that's why you see the 2012 docket number.

Thanks for your time with respect to these cases. If you have any questions please feel free to contact me.

**Subject:** question regarding summons

Hi Chris-

I received 2 summonses on Friday for a couple cases, but the drug lab number(s) for the cases were not listed. I was hoping you would be able to provide them, or at least forward this to the correct person. The cases are:

1. Comm v [REDACTED], trial date = 6/26/12

&

2. Comm v [REDACTED], trial date = 8/2/12 (there actually was a lab number given on this summons ([REDACTED]), but it is a 2011 lab submission and a 2012 docket number, and the defendant's name doesn't match, so I'm guessing the wrong number may have been provided)

Thank you for your help.

-Sonja
